

To all perspective vendors:

We **absolutely** would like to see what your company offers if it can benefit our communities. Please email: Manager@SouthwestPropertyManagement.com
OR better yet, send a prospectus to our dedicated vendor mailbox:

Southwest Property Management
PO Box 7
Gotha, FL 34734

Once we receive a prospectus, we communicate that information to our property managers.

Please **DO NOT** email any of the managers or communities through our website. In doing so you are violating a federal law and we aggressive pursue all or any vendors that do so.

We encourage you to communicate your business to us. Please realize, we do not handle condos or timeshares so we do not do any leasing, building maintenance nor do we manage rental properties.
